

Leotard Design Rules & Regulations

1 The Competition

All members in all clubs are eligible to participate in the design of a leotard competition. They may submit as many leotard designs and colour suggestions as they like.

Entries should be submitted on the attached template and the entry form must be completed and signed. The entries should then be put into a sealed envelope marked attention to the WZ Managers and handed to your teacher. Failure to do this will mean that your design will not be permitted into the competition.

The competition will close at the end of the first term (31st March, 2009).

2. Copyright

All designs must be original and should not breach any copyright laws. The winning designs will become the property of WZ Physical Culture and Dance. An existing design from the internet, retail outlets or magazines/brochures should not be copied and used in the competition.

3. Selection

The WZ Physical Culture and Dance Teachers will vote on the design and colour for each age group.

This will be done by copies of the designs being given to each teacher to comment and vote on. These comments and votes will then be collated to find the winning leotard for each age group.

The selected designs will then be looked at by the manufacturer to ascertain if the design is possible. A sample will be made up and shown at Teachers class for final approval.

The winners will be notified as soon as this process has been finalised.

4. The Prize

The winner will receive their competition leotard for free. Only one free leotard will be awarded for each design so if there are two people working on a design, the prize will need to be shared between them. E.g. Each member would pay half price for their leotards.
